

The PPA North proudly presents:

Pelvic Health and Pain Workshop

Tuesday 29th October 2019 13:30 - 16:30

An afternoon workshop to develop understanding of common issues that arise with pelvic pain, and pelvic health issues that can develop along side a persistent pain condition. The session will highlight the importance of these issues, explore how to open up the conversation and how support people with pelvic pain.

- Pelvic Pain - a personal perspective
Ruth Barber
- Demystifying the female pelvic floor
Alison Hennessey - APP in Pelvic Health
- Trauma and pelvic pain
Fiona McAslan - APP in Pain Management

This workshop is open to all physiotherapists working in any clinical setting.

Venue: Queen Margaret University
Edinburgh,
Musselburgh,
EH21 6UU

Cost: £ 20

Pre-reg students: £5

PPA members: £10

Pre-reg PPA members: free

The Physiotherapy Pain Association North

We aim to support physiotherapists, and others serving people with pain in their professional development. We aim to support clinicians to improve their knowledge and skills to provide person centred care to people in complex acute and persistent pain.
